

# Dent Community Housing Project

## Register of Interests Form

Dent Community Housing Project keeps a register of people interested in being involved in, or obtaining a house via, the Dentdale Community Led Housing Project.

Please note that CLH schemes may take several years to develop and there may not be many opportunities to join them. Making an entry in this register does not guarantee that you will find a home in a CLH scheme. When schemes do develop, we will contact relevant people on the register to put them in touch with the scheme organisers. It is your responsibility to update your entry on the register if your circumstances change.
